My dear William:-

Enclosed find cartoon of the New York Morning World; probably you have seen it. To my mind it is quite a joke, and if you will study the characters you will say that the artist was all right.

I was in Sommerville a short time ago but it was so late in the evening that I did not think it well to call to see you.

Say, Bill, you've got to get out of there pretty soon, if you don't you know it is liable to interfere with your vacation time.

According to the newspapers I understand brother Henry is quite a cribbage player. If I could have gotten in to see you the other night I might have played a little 15-2, 15-4 and one for his nobs is 5.

Hoping to have you call in here to see us soon, I am with kindest regards.

Yours very truly,

*John J. Fogarty*
